Phos4You Final Conference

22nd – 23rd Sept. 2021, Ruhrturn, Essen (DE) & online

PROGRAMME INFORMATION

After four years of cooperation, the Phos4You partnership would like to invite you to the project's final conference. The 2-days event will focus on four interrelated topics:

- Recovery, processing and distribution of novel phosphorus (P) products
- Technologies and processes for deploying P-recycling in urban areas
- Technologies and approaches for enabling P-recovery in remote, rural and island locations
- Quality assessment of recovered P materials and LCA-LCC of P-recovery processes: methods and results

The programme will include plenaries, multi-stakeholders discussions, a poster exhibition, an excursion to a Phos4You demonstrator and plenty of opportunities to enjoy, exchange and network.

Speakers will be Phos4You actors in the fields of wastewater treatment and sewage sludge incineration, recovery processes and research. Stakeholders in the agri-food value chain as well as policymakers from EU and national organisations will share their knowledge and engage in discussion.

TARGET AUDIENCE

This event will be of interest to experts & decision-makers from:

- Wastewater sector
- Fertiliser manufacturing companies
- Nutrient recycling businesses
- Chemical industry
- Farmers' organizations
- Research Institutes

FEES

This conference is free to attend.

Accommodation costs can be covered by the host (for pre-reserved rooms and subject to effective attendance).

REGISTRATION

The online registration and further detailed information will be accessible from the Phos4You homepage at: www.nweurope.eu/phos4you
